New procedure for non UE incoming Erasmus students

The Erasmus Office of ABAROMA (IROMA06) would like to share the new procedures regarding the VISA matriculation and acceptance for (non U.E.) foreign incoming Erasmus students. We received these documents from our university department and the new procedures are mandatory for the forthcoming academic year 2021-2022. Thus, we invite all the concerned institutions and related incoming students to read/translate carefully the documents we received and which are attached in this email.

All non U.E. students applying for the Erasmus exchange programme must get their VISA through this portal <https://www.universitaly.it>

You can find the english version to the follow link https://www.studiare-in-italia.it/studentistranieri/moduli/2021/Circolare_2021_2022_EN.pdf

Thanks in advance for the attention.
